

The Orion Project
Remote viewing General Patton and Assistant Carlisle
July 21 2017

The following is a transcript of the written part of a Skype conversation between Eva Draconis author of The Orion Project a documentary on contact with aliens and associated military personnel, and who I here call "Reader" a committed reader of the website who himself served in the U.S. Army and is pushing and guiding Eva to communicate telepathically with the military guys and with what questions to ask from them and to remote view the military guys in order to retrieve information. During most of the below written transcript, Eva and the Reader were also in an audio conversation at the same time and some of the spoken content was not recorded and is lost from the records. This, therefore, is just a log of the written part. Eva started to try to write down the conversations between Reader and herself and this is what we have from that.

Speaking or Mentioned:

Reader: reader of the website, former U.S. Army recruit

Eva Draconis: author of the website, alien abductee

General Patton: VIP military officer with the U.S. military guys who are involved with me because of the aliens

Hamish: red Reptilian from the alien team, his job is to guard my eggs, also Eva's best friend

Derek, mentioned not speaking: was one of my MIB surveillance guys, they say he got killed for opposing what the aliens do

Some officer: some officer I run into while remote viewing he is probably from the past

Zeta Remulan: one of the aliens on my abducting team, not sure what species they are

Major Cunningham: one of my military guys, real name is Agent Donovan Brown, supposedly an Army Special Forces Major, Green Berets

Assistant Langdon Carlisle: I've known him for some 20 years, he is the psychologist on the team of military guys

Conversations between me and Reader are through Skype. Conversations I write from General Patton, Hamish, and any others other than Reader, were telepathically received by Eva. Eva is also describing images here that she is receiving through attempted remote viewing of various targets. Timestamps on the log are local time of Eva.

[7/21/2017 5:59:05 PM] Reader: I WILL GO TO A BOOK WITH HIS PHOTO IN IT!

[7/21/2017 5:59:07 PM] Eva Draconis: I see 1960's on that ring!!! God damn I could work as a secret remote viewing intelligence agent for the military I bet I could spy on and read papers and documents too! I saw 196x and then I got nervous! The 1960's it's the 1960's!!!

[7/21/2017 5:59:16 PM] Reader: FUCK YES

[7/21/2017 5:59:19 PM] Reader: FUCK YES

[7/21/2017 5:59:21 PM] Eva Draconis: It is not 1969 and also not 1968.

[7/21/2017 6:00:04 PM] Reader: YES

[7/21/2017 6:00:19 PM] Eva Draconis: So if the ring said 1960's how old would he be abouts?

[7/21/2017 6:00:21 PM] Reader: HIS PHOTO IS IN THAT BOOK

[7/21/2017 6:00:24 PM] Reader: I NEED THE YEAR

[7/21/2017 6:00:45 PM] Reader: WHAT MILITARY SCHOOL NAME IS ON THAT RING

[7/21/2017 6:00:51 PM] Eva Draconis: Hang on...

[7/21/2017 6:01:27 PM] Eva Draconis: I am seeing from his memories a military camouflaged car like a jeep or something, it is unusually wide and low flat as a car and has an open back like a pickup truck

[7/21/2017 6:01:40 PM] Eva Draconis: this one in his training and not in the muddy Vietnam djungles

[7/21/2017 6:02:02 PM] Eva Draconis: Now my left wrist is hurting because his is hurting cause I'm spying on him...

[7/21/2017 6:02:17 PM] Reader: GOOD

[7/21/2017 6:02:20 PM] Eva Draconis: "What, you wanna see my underwear on?", he says and chuckles, he knows I'm spying on him. He is after all the expert.

[7/21/2017 6:02:21 PM] Reader: MAKE IT HURT

[7/21/2017 6:02:27 PM] Reader: TAKE THE PAIN

[7/21/2017 6:03:11 PM] Eva Draconis: "Are you going to bite his hand?", "And, grrr.", says Hamish as Hamish notices me forming an image of Patton's hands! [\[Hamish is my Reptilian\]](#)

[7/21/2017 6:03:29 PM] Reader: ASK HIM IF HE CAN SEE HIS RING

[7/21/2017 6:03:33 PM] Reader: GOD DAMN

[7/21/2017 6:04:09 PM] Eva Draconis: I just googled military class rings and that is the type of large ring with a blue top he was wearing.

[7/21/2017 6:04:16 PM] Reader: GOOD

[7/21/2017 6:04:19 PM] Reader: WELL DONE

[7/21/2017 6:04:33 PM] Reader: WHAT IS THE YEAR

[7/21/2017 6:04:36 PM] Eva Draconis: "Hamish? Can you see a large ring on Patton's finger? Can you tell me what the text says?" - me

"It says don't bite me. About my hands, it and he said." - Hamish

[7/21/2017 6:04:53 PM] Eva Draconis: Hang on, I am not the best at remote viewing but I know I can do this because there was 1960's...

[7/21/2017 6:05:21 PM] Reader: I NEED THE YEAR YOU MUST SEE IT

[7/21/2017 6:05:32 PM] Eva Draconis: His fingers are so big and wide compared to mine. When the military do an overlap it is interesting to "be" inside of a man's body like that.

[7/21/2017 6:05:36 PM] Eva Draconis: I am working on the year...

[7/21/2017 6:05:56 PM] Reader: THE YEAR MEANS A SCHOOL YEAR BOOK

[7/21/2017 6:06:03 PM] Reader: AND THAT MEAN A FUCKIN PHOTO

[7/21/2017 6:06:04 PM] Eva Draconis: And do we know which school?

[7/21/2017 6:06:07 PM] Reader: YES

[7/21/2017 6:06:11 PM] Eva Draconis: A fuckin photo!!! I want that!!!

[7/21/2017 6:06:18 PM] Reader: THEIR ARE NOT MANY

[7/21/2017 6:07:09 PM] Eva Draconis: They have been wearing garlic to keep me away. - Hamish says about Patton and the military guys

That was mean, Dragon. Yes-No garlic. - me to Hamish

About my fingers, you said. - Hamish to me

I am going to look at his ring. - me

Well, why don't you look at my butt too? - GP smiles

No thanks, just your military ring. - me

[7/21/2017 6:08:51 PM] Eva Draconis: You are, doing this against the law, you are breaking the law. - Patton to me as I am spying on him and he becomes aware

Just trying to answer some questions. That's your problem, you started this not me. - me

[7/21/2017 6:09:00 PM] Reader: NOPER

[7/21/2017 6:09:08 PM] Eva Draconis: I'm sorry Patton. I just need the answers. - me

[7/21/2017 6:09:24 PM] Eva Draconis: Let's see... it was the first half of the 1960's...

[7/21/2017 6:09:48 PM] Reader: JUST LOOK AT THE YEAR ON THAT RING

[7/21/2017 6:09:53 PM] Reader: IT IS THAT HARD TO DO?

[7/21/2017 6:12:28 PM] Eva Draconis: I see again an image of him as a young man. He is indoors, it is an awards ceremony. He is awarded with something. The uniform has red, black and white. Along the outer length of the pants legs is a stripe that is a different color than the pants. He has a hat on that has white on the hat. And the cane that has a ball on the end of the cane. He receives an award from an officer on that stage.

[7/21/2017 6:12:40 PM] Eva Draconis: If I could see some photos of such uniforms I could say which one I saw.

[7/21/2017 6:12:57 PM] Eva Draconis: He is so young in that image, so young and handsome.

[7/21/2017 6:13:02 PM] Reader: YES THAT IS A CLUE

[7/21/2017 6:13:17 PM] Eva Draconis: The stick with the ball on the end, what on earth is that?

[7/21/2017 6:13:27 PM] Reader: I HAVE NO IDEA

[7/21/2017 6:14:15 PM] Eva Draconis: Looking at pics online, there are blue ones but not all are blue the rings. The blue is also a good clue.

[7/21/2017 6:14:24 PM] Eva Draconis: There is one blue Navy also a blue Air Force that I see.

[7/21/2017 6:14:39 PM] Reader: I CAN NOT HELP YOU

[7/21/2017 6:14:46 PM] Reader: YOU SAW THE IMAGE AND NOT ME

[7/21/2017 6:15:02 PM] Eva Draconis: Ok I will go back and dig deeper into Patton...

[7/21/2017 6:15:17 PM] Reader: LOOK AT ALL THE OFFICERS RINGS

[7/21/2017 6:15:21 PM] Reader: IN THAT UNIT

[7/21/2017 6:15:33 PM] Reader: THEIR IS A DATE AND YEAR

[7/21/2017 6:15:37 PM] Reader: ON THOSE RINGS

[7/21/2017 6:15:43 PM] Eva Draconis: "We thought those cars were good. But no, god damned they

weren't!" - GP cheerfully, again I see the car on the even grass ground, these were a disaster in the mud in Vietnam

[7/21/2017 6:15:51 PM] Reader: SCHOOL YEAR BOOK PHOTOS ARE NEXT

[7/21/2017 6:15:59 PM] Eva Draconis: Ok hang on...

[7/21/2017 6:16:27 PM] Eva Draconis: "So what's up, Miss?" - GP

"Just spying around." - me

"Do you wanna be next? Derek was next?" - GP

[7/21/2017 6:16:42 PM] Reader: YES

[7/21/2017 6:16:47 PM] Reader: I WANT TO BE NEXT

[7/21/2017 6:17:06 PM] Eva Draconis: What'cyou got going on there? - GP as I'm spying on his hands to search for a ring

[7/21/2017 6:17:07 PM] Reader: IF YOU LOSE ME YOU ARE FUCKED

[7/21/2017 6:17:14 PM] Reader: TELL HIM THAT

[7/21/2017 6:17:47 PM] Eva Draconis: I was rained on heavily out there sometimes. - GP memories from military training or war

[7/21/2017 6:17:55 PM] Reader: :]

[7/21/2017 6:19:06 PM] Eva Draconis: Wow! Spying after the ring I got a picture of a large gray Navy ship and there were fighter planes flying over the ship!

[7/21/2017 6:19:20 PM] Reader: WHAT DID THE FIGHTER PLANE LOOK LIKE

[7/21/2017 6:19:21 PM] Eva Draconis: He was definitely on a Navy ship!

[7/21/2017 6:19:25 PM] Reader: GOOD

[7/21/2017 6:19:37 PM] Eva Draconis: The planes were brown and had a sharp nozzle at the front that looks like a sharp ended missile almost

[7/21/2017 6:19:48 PM] Eva Draconis: Perhaps a bit small the planes.

[7/21/2017 6:19:48 PM] Reader: F-4 FANTOM?

[7/21/2017 6:20:10 PM] Reader: GOOGLE F-4 FIGHTER

[7/21/2017 6:20:17 PM] Reader: IS THAT WHAT YOU SEE

[7/21/2017 6:20:21 PM] Eva Draconis: Perhaps, not sure if those.

[7/21/2017 6:20:29 PM] Eva Draconis: The nose is right being sharp and pointy like that.

[7/21/2017 6:20:31 PM] Reader: LOOK AT THE FIGHT PLANE

[7/21/2017 6:20:32 PM] Reader: SHIT

[7/21/2017 6:20:36 PM] Reader: FIGHTER

[7/21/2017 6:20:37 PM] Eva Draconis: Yes looking at photos.

[7/21/2017 6:20:51 PM] Reader: YOUR THE ONLY ONE THAT CAN SEE

[7/21/2017 6:21:03 PM] Eva Draconis: Haha yes. Lemme look closer, maybe I can see more from his Navy ship times.

[7/21/2017 6:21:44 PM] Eva Draconis: When I use my mind to create the pixels of his class ring, it build the weight of the ring and then I see crisp clear image from on deck on that Navy ship out at sea!

[7/21/2017 6:22:02 PM] Reader: GOOD

[7/21/2017 6:22:10 PM] Eva Draconis: I see the clouds and everything, I hear the waves out at sea.

[7/21/2017 6:22:15 PM] Reader: GOOD

[7/21/2017 6:22:42 PM] Reader: LOOK AT THE SHIP THE NAME IS PAINTED ON IT IN BIG WHITE LETTERS

[7/21/2017 6:22:44 PM] Eva Draconis: There was a small black and white television with an announcement from the government on it.

[7/21/2017 6:22:50 PM] Reader: K

[7/21/2017 6:22:52 PM] Eva Draconis: Aha ok I will check the ship name.

[7/21/2017 6:23:01 PM] Reader: BIG WHITE FUCKIN LETTER

[7/21/2017 6:23:05 PM] Reader: YOU CAN NOT MISS IT

[7/21/2017 6:23:27 PM] *** Call from Reader ***

[7/21/2017 6:26:12 PM] *** Call ended, duration 02:45 ***

[7/21/2017 6:27:20 PM] Eva Draconis: This kind of guys aren't thrown overboard, he was a pretty good guy here for us. - some military man I hear telepathically saying, when I spy on his ring with the blue top and see the Navy ship again, so Patton was a good young recruit back then, his skills were recognized

[7/21/2017 6:28:07 PM] Eva Draconis: Some of the dead guys, were driven over with those things. - Patton about those military cars with the open back and in Vietnam

[7/21/2017 6:29:09 PM] Eva Draconis: Patton was out on the Navy ship deck, holding his hands on the railing, looking at the fighter planes that were just a short distance away over the sea.

[7/21/2017 6:29:16 PM] Eva Draconis: He was young then.

[7/21/2017 6:30:04 PM] Eva Draconis: We don't let women aboard on deck. - that same guy who said about not throwing overboard

These days women are Navy recruits too. - me to that man

Yes. These days they are. But not so much back then. We don't want them skirts all around. Oh well! Times have changed! - the guy

[7/21/2017 6:30:08 PM] Eva Draconis: Who are you? - me to the guy

[7/21/2017 6:30:47 PM] Eva Draconis: On the Navy ship, under the deck, young Patton was eating his dinner, some kind of meat, and listening to a broadcast on a tiny black and white television.

[7/21/2017 6:31:26 PM] Reader: ASK HAMISH IF HE CAN SEE THAT RING

[7/21/2017 6:31:34 PM] Reader: WITH ALL THE HAND BIUTE HE TALKS ABOUT

[7/21/2017 6:31:36 PM] Reader: SHIT!!!

[7/21/2017 6:33:31 PM] Reader: LOOK AT HIS RING FOR ME

[7/21/2017 6:34:04 PM] Eva Draconis: Hamish? Can you look at General Patton's hands? - me

Yes! Tik! – Hamish [\[Tik in Hamish's language means Yes\]](#)

Can you see if he has a large ring out of metal with a blue colored top on the ring on his hand? - me

I will then, next, bite on his hand. For telling me about defecation. - Hamish, what?

Hamish? Does Patton wear a ring with blue on it? - me

Yes-No, Tik. Yes-No with blue on top. – Hamish [\[Yes-No means No when Hamish says it\]](#)

Does he have other rings? - me

Where is Patton? What city is he in? Where is Patton, let me find him. - me

Yes-No, Sugar, to tomatoes... - Hamish about the tomatoes I ate yesterday

Yes-No. They have got no sugar on them. And, about that, Tiik, Tiik Tiik! – Hamish [\[Tiik, Tiik Tiik is what Hamish says when he is announcing to those that may hear that he is guarding the area\]](#)

Yes-No, General Patton wearing no ring. Yes-No his hands, I looked at them. Yes-No!! - Hamish

[7/21/2017 6:34:36 PM] Eva Draconis: Let me just spy on the ring myself...

[7/21/2017 6:35:07 PM] Reader: K

[7/21/2017 6:35:18 PM] Eva Draconis: I see big waves splashing against the Navy ship at the front of the ship. Looking for the ring brings me to that ship.

[7/21/2017 6:35:33 PM] Reader: WHAT IS THE NAME ON THE FUCKIN SHIP

[7/21/2017 6:35:45 PM] Reader: IT IS IN ALL WHITE CAP LETTERS

[7/21/2017 6:36:02 PM] Eva Draconis: Man, she is gonna find out where I was stationed. And then I'm gonna get in HEAPS of trouble! - GP seems to know I'm searching for name of ship on the side of the ship

[7/21/2017 6:36:10 PM] Reader: YES

[7/21/2017 6:36:16 PM] Reader: YES

[7/21/2017 6:36:18 PM] Reader: YES

[7/21/2017 6:36:36 PM] Reader: I FORGIVE YOU

[7/21/2017 6:36:43 PM] Eva Draconis: I see two swords that are crossed like pirate bones would be crossed.

[7/21/2017 6:36:46 PM] Reader: FOR ALL THAT YOU HAVE DONE TO ME

[7/21/2017 6:36:55 PM] Reader: YES

[7/21/2017 6:36:56 PM] Reader: YES

[7/21/2017 6:37:16 PM] Reader: I WILL NOT GO TO THE COURTS

[7/21/2017 6:37:20 PM] Reader: YOUR FREE

[7/21/2017 6:37:58 PM] Eva Draconis: The handles of the swords are on the top, the pointy edges of the swords are at bottom. They cross in the middle. Looks almost like sabel swords with the big handle like a cup over the hand

[7/21/2017 6:38:10 PM] Reader: K

[7/21/2017 6:38:30 PM] Eva Draconis: I can feel the cold of the water in the sea.

[7/21/2017 6:38:35 PM] Reader: K

[7/21/2017 6:38:46 PM] Eva Draconis: I feel and see the Navy ship moving across the water.

[7/21/2017 6:38:52 PM] Reader: K

[7/21/2017 6:41:09 PM] Eva Draconis: Hell, it's the 1970's, and now we've got to deal with this? - the young Patton.

I tried something new. I tried to talk to the young Patton who was walking up the stairs on the Navy ship. I talked to him. "Patton? Tell me what your name is? I am trying to find you, I know you in the future, I am from the year 2017.", I said to him, and then he said that the young Patton did. I don't know if one can interact with the past in remote viewing.

[7/21/2017 6:41:45 PM] Reader: YES YOU CAN

[7/21/2017 6:41:49 PM] Reader: YES

[7/21/2017 6:42:31 PM] Eva Draconis: It might be invasive to Patton, but I deserve this.

[7/21/2017 6:42:36 PM] Reader: YES

[7/21/2017 6:42:53 PM] Eva Draconis: Hey, hello. - me to young patton

<http://images.wisegeek.com/man-in-marine-uniform-against-white-backgound.jpg>

[I decided to copy and paste the picture into this PDF transcript file for you to see, this is exactly the uniform I have seen many times General Patton remembering himself wearing at a ceremony, only he had a stick with a round ball on the end and the pants could have perhaps been dark instead of bright blue, but other than that it is a match with what I have seen many times from him, I never knew how to do an internet search to find this type of uniform to find out the kind of officer General Patton was, perhaps because I was looking for such a Navy uniform, until he said the other day that he was Marines and now I searched on Marines uniform and it is a pretty good match.

Man on the picture of course not affiliated with The Orion Project or with General Patton, this is just a photo from the internet showing the uniform.]

It's very easy you see. - Carlisle or Patton

[7/21/2017 9:49:46 PM] Eva Draconis: We don't want to worry her. - Carlisle

[7/21/2017 9:49:52 PM] Eva Draconis: It's like a camera, they said. - Hamish

[7/21/2017 9:50:03 PM] Eva Draconis: How does it work, Hamish? What do they use to see me with? - me

[7/21/2017 9:50:15 PM] Eva Draconis: You have, not just eaten grasses today. And, Tik Tik! About my eggs! - Hamish

[7/21/2017 9:50:22 PM] Eva Draconis: Yes, Hamish. I ate a pizza today with cheese. - me

[7/21/2017 9:51:33 PM] Eva Draconis: Carlisle? What is your phone number please? - me

[7/21/2017 9:53:29 PM] Eva Draconis: Carlisle? Please tell me your phone number? I want to talk to you on the phone. - me

[7/21/2017 9:53:41 PM] Eva Draconis: Carlisle has brown hair and large glasses. He looks like an engineer type of guy.

[7/21/2017 9:54:01 PM] Eva Draconis: Carlisle? Help me? - me

[7/21/2017 9:55:13 PM] Eva Draconis: Reading Carlisle's mind:

[7/21/2017 9:55:31 PM] Eva Draconis: He likes golfing, I find out.

[7/21/2017 9:55:42 PM] Eva Draconis: He is a happy person.

[7/21/2017 9:56:41 PM] Eva Draconis: I think I see his house. It is small, it has a grass lawn around the house, some trees. Yellow tiles on the roof, you know those tiles out of what's it called, bricks? It's u-shaped, like an upside down U.

[7/21/2017 9:56:54 PM] Eva Draconis: That's the architecture for the area, you've done good. - says Reader [I am now typing most of what the Reader is saying because we are now on an audio call and he is no longer typing what he says, so I started trying to keep up with typing what he and I are saying so that we can have it on record for The Orion Project!]

[7/21/2017 9:56:58 PM] Eva Draconis: You're on target. - Reader

[7/21/2017 9:57:00 PM] Eva Draconis: Wow! - me

[7/21/2017 9:57:03 PM] Eva Draconis: Really? - me

[7/21/2017 9:57:06 PM] Eva Draconis: Yes. - Reader

[7/21/2017 9:57:10 PM] Eva Draconis: So I can remote view! - me

[7/21/2017 9:57:13 PM] Eva Draconis: Yes. - Reader

[7/21/2017 9:57:16 PM] Eva Draconis: Cool. - me

[7/21/2017 9:57:30 PM] Eva Draconis: It's a small house, probably for that rich area it's all he could afford, to live there? - me

[7/21/2017 9:57:49 PM] Eva Draconis: I want you to go through the front door of his house, and look to see if there is a big underground pool, or a big underground base. - Reader

[7/21/2017 9:57:51 PM] Eva Draconis: Ok. - me

[7/21/2017 9:58:05 PM] Eva Draconis: What a hard question. - me

[7/21/2017 9:58:28 PM] Eva Draconis: What do you see inside of his house, when you go through his front door? Do you see guns on the walls, military symbols on the walls, patches uniforms, what do you see? - Reader

[7/21/2017 9:58:33 PM] Eva Draconis: Ok hang on a minute, I'll check. - me

[7/21/2017 9:58:39 PM] Eva Draconis: I'll check what I see. - me

[7/21/2017 9:59:03 PM] Eva Draconis: The kitchen has some thick oven mittens hanging visibly, they are white with small either hearts or flowers that are red. - me

[7/21/2017 9:59:10 PM] Eva Draconis: Are there pictures on the walls? Look at the pictures on the walls. - Reader

[7/21/2017 9:59:37 PM] Eva Draconis: Upstairs is interesting, that is where his bedroom is at, I feel that... - me

[7/21/2017 9:59:53 PM] Eva Draconis: Are there guns on the walls, are there military symbols on the walls, are there any pictures of military uniforms? - Reader

[7/21/2017 10:00:12 PM] Eva Draconis: I see golfing clubs, he has them in one of those big cylindrical totebag things.

[7/21/2017 10:00:16 PM] Eva Draconis: That you can put over your shoulder.

[7/21/2017 10:00:34 PM] Eva Draconis: Hang on, there's something in his upstairs bedroom I've got to see. Something is drawing me over there.

[7/21/2017 10:00:50 PM] Eva Draconis: There's something in his top drawer in his bedroom I've got to see. It has to do with a big heart, I need to see it.

[7/21/2017 10:01:21 PM] Eva Draconis: It is a big heart made out of silk paper that is red, that his daughter made for him in school when she was about 9, but he always thought about me when he looked at that.

[7/21/2017 10:01:27 PM] Eva Draconis: He might have even written my first name on it.

[7/21/2017 10:01:39 PM] Eva Draconis: If you can find a gun with a serial number on it that would help. - Reader

[7/21/2017 10:02:14 PM] Eva Draconis: Let me just look for those roof tiles quick on the internet, they're really special, and a bright orange color or yellow, yellowish.

[7/21/2017 10:02:17 PM] Eva Draconis: I just gotta see those first.

[7/21/2017 10:02:48 PM] Eva Draconis: Yep! Bingo! EXACTLY those! I just googled for "Orange County roof tiles" and bingo there they were! I'm awesome.

[7/21/2017 10:03:27 PM] Eva Draconis: I want you to go out and stand in his front driveway and look at the number on the sidewalk or on the mailbox. - Reader

[7/21/2017 10:03:29 PM] Eva Draconis: Ok.

[7/21/2017 10:03:48 PM] Eva Draconis: I think he lives at an address that is called "Lane" at the end.

[7/21/2017 10:03:56 PM] Eva Draconis: I got Lane from the white street address sign.

[7/21/2017 10:04:02 PM] Eva Draconis: Um...

[7/21/2017 10:04:07 PM] Eva Draconis: Do you see any numbers? - Reader

[7/21/2017 10:04:12 PM] Eva Draconis: Ok let me try. - me

[7/21/2017 10:04:21 PM] Eva Draconis: Let me look at the sides of his front door on the house.

[7/21/2017 10:04:27 PM] Eva Draconis: Yes, there is a 3.

[7/21/2017 10:04:31 PM] Eva Draconis: This is not helping yet, but.

[7/21/2017 10:04:54 PM] Eva Draconis: How do you not see the numbers? If you see a 3 why are you not seeing all of them? Why is that? - Reader

[7/21/2017 10:04:56 PM] Eva Draconis: Numbers are hard.

[7/21/2017 10:05:11 PM] Eva Draconis: Damn, those roof tiles! Damn it's really working!

[7/21/2017 10:05:22 PM] Eva Draconis: Ok is there a car in the garage? Is there a license plate on the car? Go into the garage.

[7/21/2017 10:05:25 PM] Eva Draconis: Ok hang on, garage.

[7/21/2017 10:05:34 PM] Eva Draconis: He has a box of old records in the garage.

[7/21/2017 10:05:39 PM] Eva Draconis: Those big records.

[7/21/2017 10:05:46 PM] Reader: K

[7/21/2017 10:06:00 PM] Eva Draconis: He has a sprinkler in the yard.

[7/21/2017 10:06:16 PM] Eva Draconis: And he has those glow in the dark lights that you just stick in the ground with...

[7/21/2017 10:06:24 PM] Eva Draconis: Is it a chemical light where you break the plastic stick and it lights up? - R

[7/21/2017 10:06:44 PM] Eva Draconis: No, it's one that glows because it absorbs light during the day, the stick is just sharp at the end so you can push it into the ground and it sits there.

[7/21/2017 10:06:49 PM] Eva Draconis: Ok is there a car in that garage? - R

[7/21/2017 10:07:00 PM] Eva Draconis: Hang on, the light is on the outside in the yard with the sprinkler.

[7/21/2017 10:07:24 PM] Eva Draconis: Ok I want you to go forward in time, and when a car pulls up into the garage, can you do that. Or forward or back in time depending on what day it is. Change the time at dusk when he should be at home. - R

[7/21/2017 10:07:26 PM] Eva Draconis: Ok.

[7/21/2017 10:07:45 PM] Eva Draconis: I feel him coming home at night with his car one time, his back is tired and sore.

[7/21/2017 10:07:58 PM] Eva Draconis: He is wearing a short-sleeve cotton buttoned shirt that is white with plaid blue.

[7/21/2017 10:08:10 PM] Eva Draconis: Look at the license plate. They have really huge gigantic numbers on that plate and it's easy to see! – R [I'm sure I meant to write "gigantic"]

[7/21/2017 10:08:37 PM] Eva Draconis: He is on some medicine... he gets tired sometimes a lot. Looking for the license plate.

[7/21/2017 10:08:45 PM] Eva Draconis: "J" is on his license plate.

[7/21/2017 10:08:54 PM] Eva Draconis: What else? - R

[7/21/2017 10:08:58 PM] Eva Draconis: It's hard I'm trying.

[7/21/2017 10:09:29 PM] Eva Draconis: The car is really different. It has rounded edges like it's a small sports car for two people, and like on the front it is not box shaped the edges are round like a Porche.

[7/21/2017 10:10:03 PM] Eva Draconis: Um... like the front is rounded, really rounded on the front of the car, most cars are box-shaped on the front.

[7/21/2017 10:10:06 PM] Eva Draconis: Yes, yes. - R

[7/21/2017 10:10:27 PM] Eva Draconis: It must be a small sports car, now that he is retired living with his wife. The kids have left the house so it's just him and his wife. And the golf clubs.

[7/21/2017 10:10:40 PM] Eva Draconis: I think he's retired. He didn't used to live in California.

[7/21/2017 10:10:47 PM] Eva Draconis: How old is he? When you look at his face, is he really old? - R

[7/21/2017 10:10:52 PM] Eva Draconis: I don't know. He looks like in his 50's.

[7/21/2017 10:10:59 PM] Eva Draconis: Let me spy some more.

[7/21/2017 10:11:05 PM] Eva Draconis: I'm just excited about those roof tiles!

[7/21/2017 10:11:12 PM] Eva Draconis: His are yellow, a really distinguishable color!

[7/21/2017 10:11:41 PM] Eva Draconis: He used to work with computers, like those really big ones I mean like in the 90's when computers were rare and really bad and the monitor screen was huge and heavy.

[7/21/2017 10:11:51 PM] Eva Draconis: He feels like an engineer for some reason.

[7/21/2017 10:12:05 PM] Eva Draconis: So he's a computer software engineer. Just like, the software feeling of a person like a psychologist. [\[said the Reader\]](#)

[7/21/2017 10:12:16 PM] Eva Draconis: No I think he was working with traumas and psychiatry for the Navy, he told me that once recently.

[7/21/2017 10:12:22 PM] Eva Draconis: That's it! That's it he's a shrink! - R

[7/21/2017 10:12:25 PM] Eva Draconis: That would fit his profile. - R

[7/21/2017 10:12:42 PM] Eva Draconis: He's a psychologist or psychiatrist for sure, no question about that. - me

[7/21/2017 10:12:55 PM] Eva Draconis: Ok I'm gonna spy on him some more. Let me see what books or films he has, just to get a feel for his house.

[7/21/2017 10:13:11 PM] Eva Draconis: He has a lot of family videos in his living room, of the kids. Family is more important to him than any movies.

[7/21/2017 10:13:43 PM] Eva Draconis: Ok after you are done doing that, i want you to ascend about 50 to 25 feet above his house and look straight down on his house... - R

[7/21/2017 10:13:50 PM] Eva Draconis: And how the road is laid out. - R

[7/21/2017 10:13:51 PM] Eva Draconis: Aha.

[7/21/2017 10:13:59 PM] Eva Draconis: Look at the roads, look at dogs in the backyards, look at pools. - R

[7/21/2017 10:14:03 PM] Eva Draconis: Alright, doing that now.

[7/21/2017 10:14:26 PM] Eva Draconis: It's on a hill. And the sunset gets really a strange color, like peach or gold sunset, like golden... - me

[7/21/2017 10:14:34 PM] Eva Draconis: Yeah cause of all the smog in the atmosphere, that is correct. - R

[7/21/2017 10:14:58 PM] Eva Draconis: So it is right on a hill, the hill is East or behind his house, and then the ocean is to the west further below down.

[7/21/2017 10:15:11 PM] Eva Draconis: It's a new development, they are still building up north from there.

[7/21/2017 10:15:23 PM] Eva Draconis: North they have already laid out the ground but not built the houses yet.

[7/21/2017 10:15:27 PM] Eva Draconis: Right north from here.

[7/21/2017 10:15:34 PM] Eva Draconis: Is new development for new housing.

[7/21/2017 10:15:41 PM] Eva Draconis: Let me try to see the address...

[7/21/2017 10:15:51 PM] Eva Draconis: I see the sprinkler again.

[7/21/2017 10:15:54 PM] Eva Draconis: Ok neighbors...

[7/21/2017 10:16:05 PM] Eva Draconis: There isn't any kids in his street.

[7/21/2017 10:16:10 PM] Eva Draconis: Maybe it's for retired people.

[7/21/2017 10:16:33 PM] Eva Draconis: Yes, if there's retired people they'll have a regulation that you cannot live there if they're still young, but if you have adult kids they can stay with you for a while and that's ok. Look inside his mind to see if that's the case. - R

[7/21/2017 10:16:41 PM] Eva Draconis: Ok let me read his mind.

[7/21/2017 10:16:59 PM] Eva Draconis: I see a military building. The building was brown and has huge glass windows on the front.

[7/21/2017 10:17:25 PM] Eva Draconis: How do you know it's a military building? Is there guns or anti-aircraft artillery on the building? What makes you say it's a military building when it's just a normal civilian building? - R

[7/21/2017 10:17:40 PM] Eva Draconis: Because I feel it strongly, also the man who works inside and stamps the paperforms is with the military in a uniform of sorts.

[7/21/2017 10:17:54 PM] Eva Draconis: Is it just a security guards, like a private arms security guard or a cop or a military? Look at his uniform.

[7/21/2017 10:18:12 PM] Eva Draconis: The uniform of the guy in the building in the lobby, is dark green or dark brown and it has two red and yellow V-shapes on the shoulders.

[7/21/2017 10:18:28 PM] Eva Draconis: Good! Good! That's a unit's signifier for the private security company that he works for.

[7/21/2017 10:18:30 PM] Eva Draconis: - R [\[this meant that the "R" belongs to the previous line, that the Reader said the previous about the unit's signifier I just added the "R" here afterwards cause I forgot\]](#)

[7/21/2017 10:18:36 PM] Eva Draconis: Is the guard armed, does he have a side arm on his belt? [\[said Reader\]](#)

[7/21/2017 10:18:41 PM] Eva Draconis: No. - me

[7/21/2017 10:19:24 PM] Eva Draconis: Ok can you see his name plate, he should have a name plate on his uniform on the left side of his pocket he should have a name. He'd have his shield and then he'd have his name plate on his left side or his right side depending on how the regulations form. Try to look at that. Do you see his badge number? - R

[7/21/2017 10:30:48 PM] *** Call ended, duration 50:58 ***

[7/21/2017 10:34:18 PM] *** Call to Reader ***

[7/21/2017 10:45:10 PM] *** Call to Reader ***

[\[Ok. Next below followed a Skype audio call between me and the Reader, and instead of struggling to keep up with writing what I say and what he says here on the Skype chat, I figured out how to record the audio of the Skype audio call. The roughly 3 and a half hour call was recorded and will be made available on YouTube for you to listen to. In it, I go to places with remote viewing and reveal massive amounts of interesting information about aliens and military.\]](#)

[2:10:14 AM] *** Call ended, duration 3:25:05 *** [\[This was that conversation.\]](#)

[And after that audio conversation, here is some typed up dialogue between me and Reader about some of the findings that took place in the remote viewing featured in that audio:]

[2:23:33 AM] Reader: 3 STAR GENERAL GUN MAN RICHARDS

[2:23:53 AM] Eva Draconis: Hm possibly yes.

[2:24:17 AM] Eva Draconis: 3 Star Marine General Harris "Gunman" Richards? Who knows?

[2:24:27 AM] Reader: GOOGLE

[2:25:23 AM] Eva Draconis: Would all U.S. generals show up on a simple Google search by name?

[2:25:34 AM] Reader: NO

[2:25:40 AM] Eva Draconis: Damn. Shit.

[2:25:48 AM] Eva Draconis: Then how to find out if he exists by that name?

[2:26:04 AM] Reader: WE GOT TO GET HIS MOS NEXT

[2:26:14 AM] Reader: THAT IS THE NEXT MISSION

[2:27:12 AM] *** Call from Reader ***

[2:36:13 AM] *** Call to Reader, no answer.

Send video message ***

[2:36:16 AM] *** Call from Reader ***

[7:52:09 AM] Eva Draconis: hey

[7:52:20 AM] Eva Draconis: going to sleep

[7:52:42 AM] *** Call ended, duration 5:16:27 ***

[And this was another Skype audio call between me and Reader. Relevant or interesting parts of it will be made available as a second audio file. Most of it was the Reader starting several YouTube videos about Reptilians for me to listen to, and me falling asleep on the bed for hours and waking up in between.]
