Some of it has been translated into English from another language

1:05 AM

Now Santinians are coming in. Now Santinians come. He would have killed you otherwise. – Santinians came to me and fended Malik off or that he would have killed my heart.

I didn't want to be your Fürst anymore. – Malik sounds calm and fed up

Why not? – me

I wasn't allowed to put my clothes here. – Malik shows me the reptile pattern brown and white dress he had wanted me to wear

Yes, I will go get it. – me, going to get that dress he wanted me to wear, I was naked in bed

Watch out for onions, it cuts in me. – Malik about regular sliced yellow onions

Thank you for not laughing at us. – Malik

No Sir. I would not laugh at my Honored. – me

And we come here for your eggs. – Malik

It is a privilege to know you Malik. I love you so much. Thank you for being with me. Thank you. An Honor. – me

We don't have the same gases here. – Malik

What gases do *you* have? – me

Not the same ones. – Malik

Is that why I have the face mask? Thank you for providing me with that. You are my Honored Black One.

I will honor your race. – me

You are supposed to also tremble! – Malik

Yes Malik. My Malik. – me

*Would you lie down again for me?* – Malik

Yes, in a moment. I will. – me

I will look at you, carefully. – Malik

Yes my Honored. In a moment I will. – me

The clock is ticking. – Malik

Yes Sir. – me

I don't want to wait here for ever. – Malik

I am coming Malik. In a moment. – me

**Malik is one of the Black Ones who rule over the Draconian Agenda that do Alien abductions. This night I had asked for a conscious visit, rather than that they abduct me when I am kept asleep. Malik was visiting. I got up to write the story on the computer, and Malik was impatient to get me back to bed. He had shown me one of the dresses I have with reptile pattern and had wanted me to wear it.
